

Tennessee Science Olympiad

30th Anniversary

Logo Contest

Schools registering for Science Olympiad this year are invited to participate in Tennessee Science Olympiad's 30th Anniversary by inviting their students to construct a logo to celebrate our anniversary. The logo will be used on t-shirts, trophies, etc. that you will see throughout the year. Each student is invited to draw a logo and each school is asked to judge these and submit the three best logos to the Tennessee Science Olympiad Board of Directors. The board will review the logos and select a winner. The winning logo along with others will be displayed at the State Science Olympiad Tournament. The winning student will receive a \$50 gift card and the student's school will receive t-shirts for its team.

Each logo should be drawn on an 8.5 in x 11 in sheet of paper. It is recommended that you use a heavy stock for your drawings. The drawings may use up to 3 colors but realize that frequently the logo will be rendered in black and white. Each of the three logos that are submitted should have the student's name and the name of the school printed clearly on the back. Submission of the drawings to Tennessee Science Olympiad means that the student gives Tennessee Science Olympiad unlimited permission to use the logo in any manner it deems fit during the 2014-2015 Science Olympiad Tournament Year as well as to modify it for use in subsequent years if it sees fit to do so.

All submissions must be received by November 15, 2014 and should be mailed to:
